OFFICE OF THE SECRETARY

Dear Ms Grove;

We are appealing to you to rescind the closure of the Careywood Post Office in Idaho. Having moved to this area in October, 2014, we were delighted to have a post office in the area, saving us from driving 15 to 20 miles to another postal outlet. We were impressed by the friendly, helpful personnel, and not having to wait in long lines, or having to wait for a parking place to become available, as has been the complaint in Athol and Sagle, the two closest post offices.

Please reconsider the closure of this postal outlet. This area continues to grow and it would be beneficial to this area to keep this office open.

Sincerely,

Dear Shoshana,

I'm writing you about the ~~reason~~ ^{reason} of the Careywood Id Post Office. I used to drive 2 miles round trip to pick up my mail at 8:15 AM at the Careywood Post Office. I now have to drive 20 miles to Athol to pick up my mail. If I arrive in Athol at 9:00 AM the mail still hasn't been sorted out. I'm 80 years old and having to drive 20 miles to pick up my mail is not what I call good service. I ~~am~~ even have to wait in line to buy stamps.

Whoever made the decision to close this Post Office lacks the necessary judgement to fill that position and should therefore be removed from office.
